TANDEM – A CONNECTION PROJECT

Are you a Swedish student or a person interested to get an international student as a Tandem-friend?

Are you curious about the society of international students?

TANDEM – A CONNECTION PROJECT is a project to help matching students from different countries with single persons or families.

The association has no political or religious affiliations.

Application

The following information from you helps us to find a suitable person.
We would appreciate it if you would fill in as much as possible! Thank you!

Last name:.....First name.....
