

# Welcome to Sweden and Kristianstad University College

Kristianstad University College welcomes students from our partner universities to courses given in the spring semester 2010.

Kristianstad University College is a renowned university with a highly qualified faculty and over 9,000 students. It is situated in the dynamic Öresund region in the very south of beautiful Sweden. The University was founded in 1977, but in this region we can trace our roots to the 19th century. Kristianstad University College is close to the city centre, the sea and the magnificent nature. In the modern university area you will find a restaurant, a café, a sports hall, a library and the Student Union Office. Our students are our most valuable resource and on campus there are students from all over the world with various backgrounds.

With an international atmosphere, interesting and challenging courses in areas such as business, engineering, teacher training, behavioural and health sciences and humanities, and a fulfilling leisure time, we hope we can tempt you to come to Kristianstad. We look forward to seeing you on campus at Kristianstad University!
