Gold Open Access

As a corresponding author affiliated with a BIBSAM member institute, I have the opportunity to publish open access.

I will publish my article Gold open access, making my final published article immediately available to everyone.

I do not have to pay an Article Publishing Charge (APC). Upon validation, the agreement between BIBSAM consortium and Elsevier will cover the APC.

I can share my article in accordance with the user license that I select. Please find further details on [Elsevier's agreement page](#).

Select Gold Open Access

With Gold Open Access, your final published article is immediately available to everyone.

*If the validation is not successful, an invoice for the total APC of EUR 3,320.00 (ex. tax) will be sent directly to me.

Subscription

As a corresponding author affiliated with [name of the institution], I will publish my article under the subscription model, making my final published article immediately available to all subscribers.

Further details on [Elsevier's agreement page](#)

[Elsevier's sharing policy](#) explains how I can share my accepted manuscript.

Select Subscription

- In case of OA, author selects the CC License
- For BIBSAM, we present CC BY followed by CC BY NC ND. We specify that CC BY is funder preferred

Elsevier GmbH

Your Status

- I am one author signing on behalf of all co-authors of the manuscript

License of Publishing Rights

I hereby grant to Elsevier GmbH an exclusive publishing and distribution license in the manuscript identified above and any tables, illustrations or other material submitted for publication as part of the manuscript (the "Article") in print, electronic and all other media (whether now known or later developed), in any form, in all languages, throughout the world, for the full term of copyright, and the right to license others to do the same, effective when the Article is accepted for publication. This license includes the right to enforce the rights granted hereunder against third parties.

Supplemental Materials

"Supplemental Materials" shall mean materials published as a supplemental part of the Article, including but not limited to graphical, illustrative, video and audio material.

With respect to any Supplemental Materials that I submit, Elsevier GmbH shall have a perpetual worldwide non-exclusive right and license to publish, extract, reformat, adapt, build upon, index, redistribute, link to and otherwise use all or any part of the Supplemental Materials, in all forms and media (whether now known or later developed) and permit others to do so. The publisher shall apply the same end user license to the Supplemental Materials as to the Article where it publishes the Supplemental Materials with the Article in the journal on its online platforms on an Open Access basis.

Research Data

"Research Data" shall mean the result of observations or experimentation that validate research findings and that are published separate to the Article, which can include but are not limited to raw data, processed data, software, algorithms, protocols, and methods.

With respect to any Research Data that I wish to make accessible on a site or through a service of Elsevier GmbH, Elsevier GmbH shall have a

Authors agrees to the Journal License Publishing Agreement

- The Article I have submitted to the journal for review is original, has been written by the stated authors and has not been previously published.
- The Article was not submitted for review to another journal while under review by this journal and will not be submitted to any other journal.
- The Article and the Supplemental Materials do not infringe any copyright, violate any other intellectual property, privacy or other rights of any person or entity, or contain any libellous or other unlawful matter.
- I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in the Article or the Supplemental Materials.
- Except as expressly set out in this License Agreement, the Article is not subject to any prior rights or licenses and, if my or any of my co-authors' institution has a policy that might restrict my ability to grant the rights required by this License Agreement (taking into account the Scholarly communication rights permitted hereunder), a written waiver of that policy has been obtained.
- If I and/or any of my co-authors reside in Iran, Cuba, Sudan, Burma, Syria, or Crimea, the Article has been prepared in a personal, academic or research capacity and not as an official representative or otherwise on behalf of the relevant government or institution.
- If I am using any personal details or images of patients, research subjects or other individuals, I have obtained all consents required by applicable law and complied with the publisher's policies relating to the use of such images or personal information. See <https://www.elsevier.com/about/our-business/policies/patient-consent> ↗ for further information.
- Any software contained in the Supplemental Materials is free from viruses, contaminants or worms.
- If the Article or any of the Supplemental Materials were prepared jointly with other authors, I have informed the co-author(s) of the terms of this License Agreement and that I am signing on their behalf as their agent, and I am authorized to do so.

Governing Law and Jurisdiction

This License Agreement will be governed by and construed in accordance with the laws of the country or state of Elsevier GmbH ("the Governing State"), without regard to conflict of law principles, and the parties irrevocably consent to the exclusive jurisdiction of the courts of the Governing State.

For information on the publisher's copyright and access policies, please see <http://www.elsevier.com/copyright> ↗.

I have read and agree to the terms of the License Agreement.
