Publication of contribution presented at the conference August 17

Welcome to submit the article that was the basis for the presentation you made during the conference in Kristianstad. Below follows some instructions for those who wish to publish contributions as "full papers".

Criteria

The submitted contribution shall:

1. Have the potential to support the development of higher education
2. Have a clearly expressed question/problem connected to teaching and learning in higher education
3. Have clear conclusions or reflective reasoning
4. Relate to current research in the field
5. Have a consistent reference management
6. Be proofread

Formalities

- The text should be delivered in a Word document (.docx)
- The text must not exceed 20 pages in length (including bibliography and appendices)
- Font should be Times New Roman
- Size of font should be 12 pt
- Line spacing should be 1.0

Contributions that differ from any of the formalities above will be returned.

Deadline for submission	Notification of any correction	Deadline corrected contributions
November 13	Latest November 25	December 1

Publication

Submissions will be published as a cohesive production in DIVA, as well as a stand-alone article. Both versions will be in PDF format and downloadable. Date of publication is expected in December 2016.

Delivery
