

DESIGN THINKING FOR SUSTAINABILITY BERLIN SUMMER SCHOOL

[Link to Website](#)

The **Summer School** focuses on (Universal) **Design Thinking**, the question of how products and services can be designed to include as many users as possible, and the premise of **sustainable** decision-making in companies. Both aspects will be combined in **interdisciplinary** project groups in the third week.

AT A GLANCE

- 3 weeks Summer School (starting on September 4th 2022)
- Hosted on campus in Berlin
- Teaching language: English (no German required)
- Open to students from all disciplines
- Tuition fee: 450 €*
• Scholarships available

*Students from HTW Berlins partner universities receive a discount of 50 €.
