

# Registration of card (only required once)

The screenshot shows a mobile application interface for PaperCut MF. At the top, there is a status bar with "My account" and "Deny admin's operation, tap here". Below that is a green header with the "PaperCut MF" logo. The main content area has the text "Associate your card with a user account by entering your login details." followed by two input fields: "Username" and "Password". A green "Associate" button is positioned below the password field. At the bottom, there is a footer with "PaperCut MF 216" on the left, "Admin" on the right, and a navigation bar with "Check Status", a home icon, and "Stop".

Swipe your card over the card reader until you hear a beep. You can also use any other card that has Mifare, such as Skånetrafikens Jojo-card.

Enter your log in at HKR (email address or username) and password, and then press “Koppla”.
